## PRESS RELEASE

Today the United States Court of Appeals for the District for Columbia Circuit, Division for the Purpose of Appointing Independent Counsels, approved the release of the Final Report of the Independent Counsel in re: Henry G. Cisneros. The Report can be found on the Office's website at http://barrett.oic.gov.

This has been a long and difficult investigation. It is my hope that people will read the entire Report and draw their own conclusions. An accurate title for the Report could be, "WHAT WE WERE PREVENTED FROM INVESTIGATING."

After a thorough reading of the Report it would not be unreasonable to conclude as I have that there was a coverup at high levels of our government and, it appears to have been substantial and coordinated. The question is why? And that question regrettably will go unanswered. Unlike some other coverups, this one succeeded.

I recommend that people begin by reading the memorandum of Mr. John Filan, Chief of the Internal Revenue Service's Criminal Investigation Division in the South Texas District (Appendix no. 16).
